**LIVE THE LITURGY: A Message of Hope source: young-catholics.com**

This message of hope is especially important in our world today, where there is so much suffering, pain, and despair.

We are all touched by the effects of sin and death, whether in our own lives or in the lives of those around us. But the Resurrection of Jesus offers us a way out of this darkness. It reminds us that death is not the final word, and that God never abandons us, even in our darkest moments. As we celebrate Easter, we are called to let go of sin and selfishness, and to embrace the new life and hope that Jesus offers. We are called to let Easter change our hearts and transform our lives, so that we may become more fully the people that God created us to be. We are called to be bearers of hope and agents of new life, bringing the light of Christ to a world that is so often shrouded in darkness.

So let us rejoice and be glad this Easter, as we celebrate the triumph of Jesus over sin and death. Let us give thanks to God for the gift of new life, and let us renew our commitment to follow Jesus, the risen Lord, wherever he may lead us. May the hope and joy of Easter fill our hearts and our lives, now and always.

**A Stewardship Moment**

**Alleluia! Christ is risen and is victorious over sin and death! We are good stewards of our faith if, like St. Paul, we share this good news whenever and wherever we can.**
