HUMOR – The story of Adam and Eve was being explained in the children's Religious Education class. Following the story, the children were asked to draw some picture that would illustrate the story.

Little Bobby was most interested and drew a picture of a car with three people in it. In the front seat, behind the wheel was a man and in the back seat, a man and a woman. The teacher was at a loss to understand how this illustrated the lesson of Adam and Eve.

But little Bobby was prompt with his explanation. "Why, this is God driving Adam and Eve out of the garden!"
