SEPTEMBER 22 – 28, 2013 was Fall Prevention Awareness Week. Falls can take a serious toll on older adults' quality of life and independence. The Guttenberg Municipal Hospital provided the bulletin insert "What You Can Do To Prevent Falls" as a safety initiative for the community.

CEMETERY FLOWERS- As we enter the Fall season with gusty winds it is important that you remove flowers from the vases on each side of the tombstone so that they do not blow all over the cemetery grounds. Thank you for your attention to this above task in the next couple of weeks.

HUMOR – It was at a miniature golf course on a brutally hot day when I saw a father with 3 kids. "Who's winning?" I asked cheerfully. "I am" said one "no, I am" said another.

"No," the father said, "*their mother is!*"
