HUMOR - Dear Dad, School is really great. I am making lots of friends and studying very hard. With all my stuff, I simply can't think of anything I need, so if you would like, you can just send me a card, as I would love to hear from you. Love, Your Son
The Reply: Dear Son, I know that astronomy, economics, and oceanography are enough to keep even an honor student busy. Do not forget that the pursuit of knowledge is a noble task, and you can never study enough. Love, Dad
