THE BIBLE, YOU, AND ME! Carefully searching for the meaning intended by the original author helps us avoid imposing superficial understandings on biblical texts. Contemporary biblical scholarship can help us better understand biblical texts by exploring the cultural background and the mind of the community from which they have been excerpted.

HUMOR - Tom, Dick and Harry went to a party. After the party they returned to the hotel. The hotel was 600 stories high. Unfortunately for them, the elevator was not working. They made a plan for the first 200 stories, Tom will crack jokes. The second 200 stories Dick will tell a happy story and lastly Harry will tell a sad story. They then started up the steps. After 2 hours it was Harry's turn. He turned to the other two and said "Ok guys, here's my sad story. I forgot the keys in the car."
