**LIVING THE YEAR OF MERCY** - The first “Corporal Work of Mercy” is “**Feed the Hungry.**” There are many people in this world who go without food. When so much of our food goes to waste, consider how good stewardship practices of your own food habits can benefit others who do not have those same resources. Try not to purchase more food than you are able to eat. If you notice that you end up throwing groceries away each week, purchasing less groceries would eliminate waste and allow you to donate the savings to those in need.
