“REDISCOVER THE SAINTS” (chapter 4) In Saint Benedict’s book, *The Rule of Saint Benedict*, it contains spiritual insights about how to live a Christ-centered life which became the foundational document of religious communities from the Middle Ages to modern times. Without deeply rooted life-giving daily routines we become disoriented and lose sight of what matters most. Do you have powerful routines and rhythms that ground the days of your life in health, happiness and holiness? Read at least one chapter a week and **FREE** books are still available in entryway of church.
